Introduction

Indian Chamber of Commerce is pleased to present the Eighth edition of National Legal Summit 2018. The objective of the summit is to disperse information, share ideas and insights on India's legal framework and bring to the table the legal complications & risks that are arising in today's businesses due to the new age technology and volatile economic and geopolitical environment in the country.

ICC as a National Public Institution is deeply involved in advocating and suggesting policies which would add value to our trade and Commerce ecosystem.

The summit would focus on discussion on improving the trade and commerce ecosystem by focusing on legal reforms.

Silent Features:

- o To bring out the emerging areas of legal risks for corporate India.
- o Understanding the changing dynamics of today's business & identification of legal risk associated with it.
- o Networking with more than 150 business leaders, members of the Judiciary, senior policymakers, leading counsels, General Counsels of large MNC'S, corporate leaders, consultants, academicians, company secretaries and Chartered Accountants to examine the critical issues and opportunities for the Legal sector in India.

Topics to be covered:

- Overview of GST and its impact on the Indian Economy
- Arbitration and conciliation
- Advancement in Consumer laws and its enforcement in the present era of Globalization and Information revolution.
- Rethinking Compliance performance
- Reviewing implementation and compliance of the Insolvency and Bankruptcy Code, 2016.
